

VALVOSACCO

ENVIRONMENTAL CONFORMITY DECLARATION

Valvosacco Spa has obtained the following certifications:

- ISO 9001 – ISO 45001 – ISO 14001
- FSSC 22000
- FSC – Custody Chain

Valvosacco Spa is a member of consortium **Conai** (Consorzio Nazionale Imballaggi IT) e **Comieco** (Consorzio Nazionale Recupero e Riciclo degli Imballaggi a base Cellulosica IT), and collaborates with **Repasack gmbH** (enviromental services DE), the purpose of which is the collection, recovery and recycling of cellulosic origin packaging.

It is stated that the main raw material, white and brown paper, used for our product, is pure cellulose. No recycled materials are used. Our paper and “notonlypaper” bags are all **recyclable** products in the PAPER collection chain.
